

MERIDIAN ANTI-DRUG COALITION
STRENGTHENING OUR COMMUNITY

MINUTES: Meridian Anti-Drug Coalition General Meeting
 Meridian Police Department, Media Room *or* *Zoom
 1401 E Watertower St, Meridian, ID 83642
 September 19, 2024 | 4-5PM

21 ATTENDEES: (In-person 16) Kendall Nagy, Stephany Galbreath, Jake Cluff, Sierra Kistler, Terry Austin, David Phillips, Anne Little Roberts, Helena Pasek, Caylee May, Laci Ooi, Robert Rodriguez, Earl Scharff, Tiffany Meyers, Lisa Currin, Josh Keyser, Yoonwa Saechao (Zoom 5) Sofia Fiorello, Brenda Willson, Susie Stertz, Kriste Lampe, Cheryl Mulvihill

TIME	SPEAKER AGENDA ITEMS	NOTES
4:00	Kendall Nagy, Director: Additions to Agenda? Welcome & Introductions	(all) sign-in, introductions
4:05	Hailey Blogg Jennifer Abrao Stephany Galbreath (filling in), Secretary: 8/15/24 CEC and General Meeting Minute Vote (sent out via email), Public Safety Day , National Coffee w/ A Cop	(Secretary) record attendees, monitor Zoom, take minutes; special attention to action items & votes (all) vote to amend or approve minutes- motion, second, all in favor, anyone opposed? Anne Little moved, Jake Second, all approved. Public Safety Day at Public Safety Training Center Saturday, September 28, 10-1pm. All ages, family-friendly event. MADC Booth and Natural High will be at the event. National Coffee with a Cop at Scheels October 2, 9:30-11am.
4:07	<p>Executive Committee, Sector Representatives (SRs)</p> <p>Anne, Business SR: Rx Take-back program update</p> <p>Susie, Civic SR: Community Coalitions of Idaho update</p> <p>Kati Sierra (filling in), Government SR: New Materials, Kati Update</p>	<p>SR Action Items: Volunteer Promote Recovery Breakfast & Rx Take-back</p> <p>(Anne) Conversation regarding the legislation that was passed to make it possible to donate unused medication. Bill 54-1762 legend drugs may be transferred from a qualified donor to a donation repository for donation to medically indigent patients. Pharmacists who originally prescribed the medication must be the ones who take it back. The Rx also needs to be able to be tracked and sealed. It’s almost impossible for pharmacists to do. Tried to talk with Board of Pharmacy about this. Spoke with Terry Riley and Portico. It’s a good and thoughtful idea but execution is challenging. May have to find an independent pharmacy to work with on a case by case basis. (Kendall) Where can we send people to donate? (Anne) will continue to look into this.</p> <p>(Susie) Community Coalitions of Idaho is still trying to get reorganized. There are no grant funds right now but they are working on that. Next meeting is early October. Hope to get it back up and running, and have as many coalitions participate as possible. Helps connect coalitions and build prevention networks.</p> <p>(Kendall) Idaho Drug Free Youth, state organization focused on teens. Potentially a good resource for CCI to look at as well.</p> <p>(Kati Sierra) Central District Health has recently updated tobacco materials. If you think of a brochure that is needed let them know, they can make them. Residents can order online. Kickitidaho.com is doing a fun “spooky themed” cessation campaign. Katie will be coming back October 1st so she will resume attending MADC meetings. (Lacy) One of the things we see downtown near vaping stores is they are putting the stickers all over the trash cans. Is there a way of having a pad made to stick to the trash can that can be educational? So that way when it’s full of the stickers it can be ripped. Will connect via email on this conversation.</p>

<p>Brenda, Healthcare SR: R4 Behavioral Health Board Updates</p>	<p>(Brenda) Family Youth Idaho, Family Support line is seeing youth participation and need of families needing help. Whenever interacting with families or caregivers that need some additional information, it can be tricky. Seeing a lot of co-occurring situations with kids that are in need. MADC can be helpful with that. Would like to pick up some additional flyers that we can send out with other employees and share with the community. Trying to get word out on how to get ahold of us. Part of Ada County and did a collaborative exercise on the needs of Region Four Behavioral Health Board. We need prevention represented. This goes to the Behavioral Health Council in October. If you have something that you feel is a gap please share with Brenda. Tomorrow at the Capitol, Brenda will be at the signing ceremony for Recovery Month Proclamation with Gov’s Office 10am if you want to attend. (Kendall) have you connected with the Bridge as a resource?</p>
<p>Robert, Law Enforcement SR</p>	<p>(Brenda) Yes, that is a huge opportunity and great resource.</p> <p>(Robert) Talking with counselors at Mt. View and had training with the Bridge last year. Going to see if we can do a refresher. The process to make referrals to the Bridge is easy. The Bridge is a resource center to make referrals and meet within 48 hours. They discuss problems and find resources. It’s for any kid in the household not just the individual who received the initial referral. The Bridge is communicative and has great follow up. (Sierra) we have a great partnership with the Bridge. We do vape presentations, Women and Children’s Alliance comes in, and there are parenting action classes as well.</p>
<p>Earl, Parent SR: Atlantic Article- Marijuana Is Too Strong, Fall Fest.</p>	<p>(Earl) Terry’s granddaughter and myself put together Parent Prevention Packets. (Terry) Granddaughter, 16 years old had a great time helping. (Earl) MADC started going to some of the school football events. Went to Battle of the Mountains at Mt. View and had about 25 contacts/conversations. Kendall spoke with Middle School Health Teachers at the St. Ignatius Fall Festival and we had 54 interactions. Also, came across an interesting Atlantic article about marijuana that I shared. Atlantic Article- Marijuana Is Too Strong</p>
<p>Jake, Religious SR: Program Updates</p>	<p>(Jake) Helping administer Communities for Youth. Listening sessions are currently happening throughout the community. These sessions are for adults to have conversations about what is contributing to our youth’s mental health challenges (cell phones has been brought up). Meridian Moves has been moved back slightly, early winter and spring program.</p>
<p>Yoonwa, School SR: WASD Fentanyl Summit 9/24</p>	<p>(Yoonwa) Our Drug Prevention Counselors are here, thank you for coming. CDH, MADC are attending events. DPC teams are going to run small groups of “the N-O-T program.” The Not on Tobacco (NOT) Program is a cessation program for kids who want to quit smoking or vaping. Going into schools to teach 6th graders. Fentanyl Summit attendance by three WSD representatives. (Kendall) MADC presented at professional development training today. (Yoonwa) the resources were a big hit for secondary schools.</p>
<p>David, Substance Abuse SR: Behavioral Health Planning Council</p>	<p>(Tiffany) when students have violations and get an assessment, an option for parents is to randomly drug test. When parents ask where to get one, we say they are available thanks to MADC.</p> <p>(David) On the Behavioral Health Council for the past three years. Data is important so members of this council can use the data and formulate a letter to the Governor on what should be done. Primary work is to</p>

	<p>Danielle, Youth Serving SR: Upcoming Events Caylee, Youth SR: Slave 2 Nothing Update</p>	<p>send these recommendations to the Governor’s office. A lot of problems are coming up that we don’t have funding for. We can work together to tackle these issues. Meeting is October 15, 16, and 17 at Holiday Inn by airport. Details will be included. Some of the councils are made up of stakeholders, representing specific struggles. Participated in Recovery Day this past Saturday in Caldwell. Working with the 2C DFC Coalition. They are building parent prevention packets now. Meridian showed how to do this and it’s now extending to other cities. The pro marijuana legalization nonprofit, Kind Idaho has a new ballot initiative they are trying to gather signatures for. (Kendall) If they get enough signatures it will be on the 2026 ballot. They’ve been trying for a decade now. This year they have the financial backing (for signature gathering) of a national pro legalization lobbying group called Marijuana Policy Project. The intuitive is called Decriminalize Cannabis now.</p> <p>(Danielle) Have a few upcoming CEU opportunities, lunch and learns.</p> <p>(Caylee) Kendall and I talked to Shane who runs Slave 2 Nothing Foundation, a nonprofit that is led by the owners of In N Out. It is focused on antitrafficking and substance abuse prevention. Talked about funding needs for Parent Prevention Packets. Attended the 9/11 Memorial and the football game. Helena and Caylee are going to work on the Sticker Shock Campaign during Red Ribbon Week. Working with Rocky Mountain to do something with this.</p>
<p>4:30</p>	<p>Kendall: Marijuana (state & national)</p> <p>LEAD</p> <p>Youth-Led Campaign</p> <p>Trailer</p> <p>Speedway</p> <p>Save My Family events</p> <p>Narcan</p> <p>Cannabis Compliance Checks</p>	<p>(Kendall) National level, keeping an eye on DOJ hearing to reschedule Hemp. State level, having conversations with representatives of Meridian and Legislators so they know City of Meridian updated their Prohibited Signs code, 11-3D-4 (K. P.), prohibiting the advertising of marijuana in Meridian.</p> <p>Law Enforcement Against Drugs (LEAD) – Several people have reached out with concerns. Several people have described their interactions as suspicious. It is being looked into and a media release might go out.</p> <p>Youth Led Campaign with West Ada and Project Filter is going great. Casie presented to youth and they are working on the October campaign focused on Natural High.</p> <p>Trailer donation – BYDC is closing their doors. Hidden in Plane Site Trailer. In the process of redoing the wrap on it and then use it at events. Logistical stuff right now, council has approved.</p> <p>While at Meridian Speedway we reached almost 1,200 people. Had good announcements throughout the event.</p> <p>Save my family events – Getting good engagement from parents. Still a few presentations coming up. Click here to learn more.</p> <p>Expired Narcan available. Offer it up to any of the partners of the coalition. It is expired but still good. Has been stored in a controlled temperature. Email Kendall if you have questions.</p> <p>Level of CBD in one of the samples we sent broke their machine because it was so high, which has delayed results. Talked to lab manager (in Mississippi) regarding trends in their state. Because hemp is legal under</p>
